You know the rules Garfield. They don't allow pets in the seats. I had to dress you up (verkleiden) as my son or you couldn't have come on our vacation (Ferien). What am I, a piece of luggage? What's this, a handle (Griff)? That's the way they feel about it. Why don't you just stick a stamp (Briefmarke) on my face, and mail me to Paradise World. Welcome to Invasion Layer Airlines.
