What does the horoscope say about you?

Find out your friends' signs of the zodiac and tell them what's in for them this coming year.

Do you believe in horoscopes? Do you ever read them in the newspaper?

# Good Fortunes: Tulips

Step 1: Draw a name-card from the box on your teacher's desk. Write 4 good fortunes for the person on your card. If you do not know the person very well, ask his/her friends (secretly) and find out what would make them happy.

Step 2: Produce a few "tulips fortunes" or a "good fortunes boat" for your classmate and write the 4 good fortunes onto it. Don't forget to start all your fortunes with: **"You will..."**

For each step, press each fold well with your fingers.

**Step 1:** With the colored side facing down, fold your paper on the diagonal to make a triangle.

**Step 2:** Bring the bottom right corner up and to the right of the center point.

**Step 3:** Repeat with the left corner, bringing it up and to the left of the center point.

**Step 4:** Flip the paper over. Fold the side and bottom points in just a bit, to create a more rounded tulip shape.

**Flip it back over and check out your finished tulip!** So cute and easy, right? I showed my girls how to make one, and they proceeded to whip out a whole pile in minutes.

Write a good fortune into each tulip, then glue the tulips on a colored card and draw the stems.

# Good Fortunes: Where will the future take you?

1. Start with a rectangular piece of paper, coloured side up. Fold in half then open.

2. Fold in half downwards.

3. Bring corners in to centre line.

4. Fold uppermost layer upwards & do the same to the back. Crease well.

5. Pull the sides out and flatten.

6. Fold front layer up to top, then do the same at the back.

7. Pull the sides apart and flatten.

8. Gently pull the top parts of the model outwards, making a boat shape.

9. Flatten well to crease all folds. Then open out slightly forming a boat shape. Finished Boat.

Write a good fortune for your friend on each side of the boat – inside and outside.
