## 2. Then create class logins.

Open the dropdown menu by clicking the little arrow next to your username.

## 3. Use simple usernames and passwords for each class.

## Set up a class login

Please enter a simple username and password for your class.

Each class login allows up to 50 pupils to log in using the same username and password. You can set up a total of 5 separate classes.

Please use at least four characters (maximum 20) for the username and password.
