

Bookchoosing cards for the Refugee Reading Project

Each student gets 6 postcard-size book-choosing cards. In order to print these cards in the right format follow these instructions:

Print pages 2 to 15 .

Print 4 pages on 1 (A4)

Print double sided.

Bring a copy of each of the novels to class and make photocopies of the first few pages of each book, so all the students can get an idea what the books are about.

Alternative idea: Ask the kids to read the first few pages on Amazon. Most books have the “open book” option where you can read the first few pages online.

The students read the first 3 pages of each book and fill out their cards. Then they decide which of the books they would like to read.
